

Campus Event Management - Reports/Outputs

Screenshot 1: Login Page

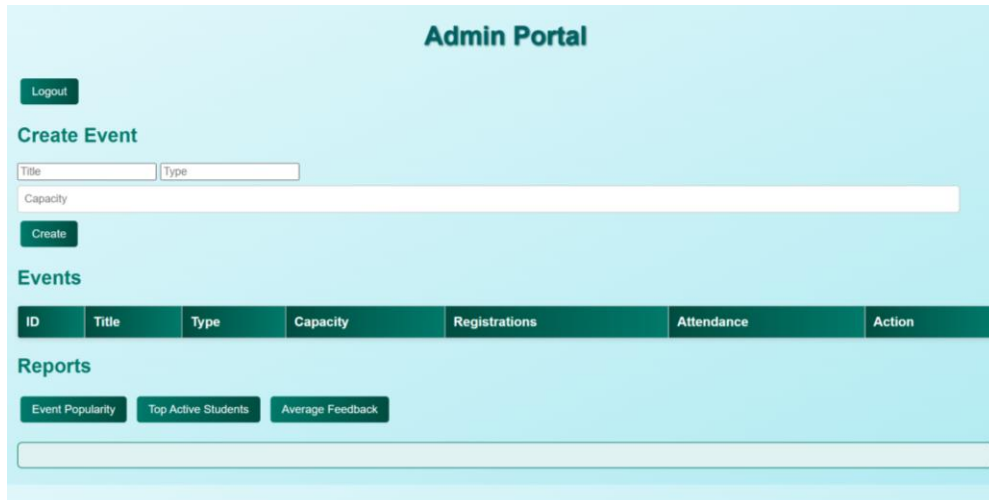

This screenshot shows the login page of the Campus Event Management system. Users can log in using seeded accounts as admin or student. It also provides quick navigation buttons to access the Admin Portal or Student App.

The screenshot displays the login interface for the Campus Event Management system. At the top, the title "Campus Event Management" is centered. Below it, the "Login" section contains two input fields for "email" and "password". To the right of these fields are three buttons: "Login", "Go to Admin Portal", and "Go to Student App". Below the buttons, a line of text lists seeded accounts: "Seeded accounts: admin@demo/adminpass, alice@demo/alicepass, bob@demo/bobpass".

Screenshot 2: Admin Portal

This screenshot shows the Admin Portal where administrators can create new events by specifying the title, type, and capacity. It also displays event details and provides options to view reports such as Event Popularity, Top Active Students, and Average Feedback.

The screenshot shows the Admin Portal interface. At the top, the title "Admin Portal" is centered. Below it, there is a "Logout" button. The "Create Event" section includes three input fields for "Title", "Type", and "Capacity", followed by a "Create" button. Below this is an "Events" section with a table. The table has columns for ID, Title, Type, Capacity, Registrations, Attendance, and Action. Below the table is a "Reports" section with three buttons: "Event Popularity", "Top Active Students", and "Average Feedback". At the bottom, there is a large empty input field.

ID	Title	Type	Capacity	Registrations	Attendance	Action
----	-------	------	----------	---------------	------------	--------

Screenshot 3: Student App

This screenshot shows the Student App interface where students can view available events, register, attend, and provide feedback by rating and adding comments. It ensures student participation and feedback collection for better event management.
